

Book Reading & Learning club

Read six best-selling self-help books and feel like you are attending six in-depth courses.

Join our exclusive Book Reading and Learning Club—where reading becomes more than a hobby; it's a powerful tool for growth and enrichment!

What are we offering?

Our Book Reading Club is an exclusive, immersive experience **led by Vikram Dhar.**

It includes monthly virtual events featuring **90-minute Master Classes** on a curated selection of self-help and business books. Each session presents the book's insights in a practical, easy-to-apply format.

As a member of this club, you will benefit immensely from 12 months of learning accountability (12 Mastery modules), and 52 weeks of reading accountability with an Accountability Coach who will help you unleash your Learning Genius.

Why Join our Book Reading and Learning Club?

Let us help you turn your reading goals into reality and become the avid reader you've always aspired to be.

Accountability

Leave behind those unfinished books and embrace a structured approach to achieving your reading goals. Our club provides the support you need to stay committed, celebrating milestones and overcoming challenges together.

Community

Engage with fellow book enthusiasts who share your passion for reading and personal

development. From lively discussions to book recommendations, our vibrant community will keep you inspired and motivated.

Diverse Selection

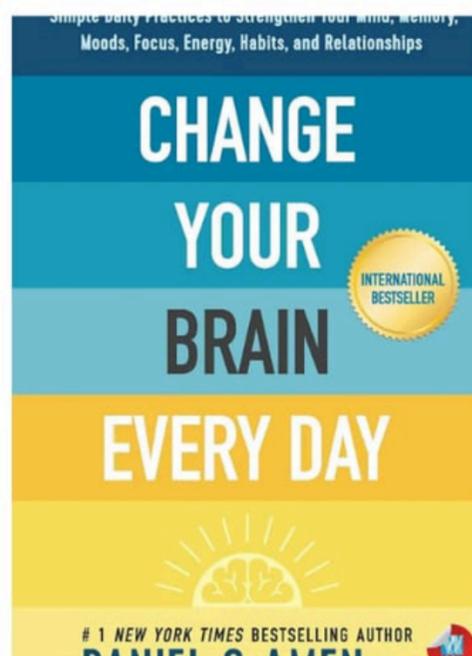

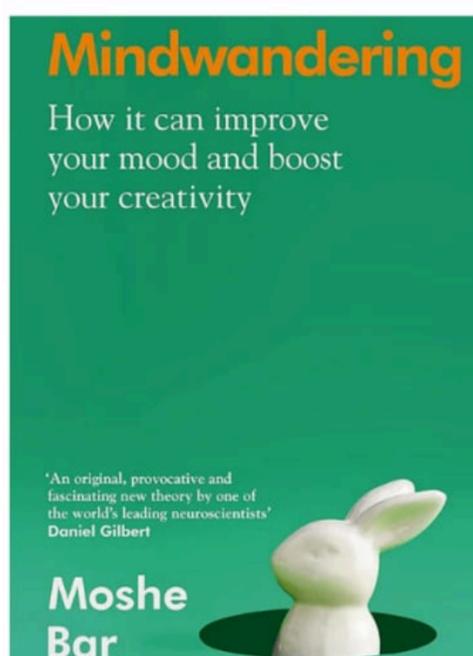

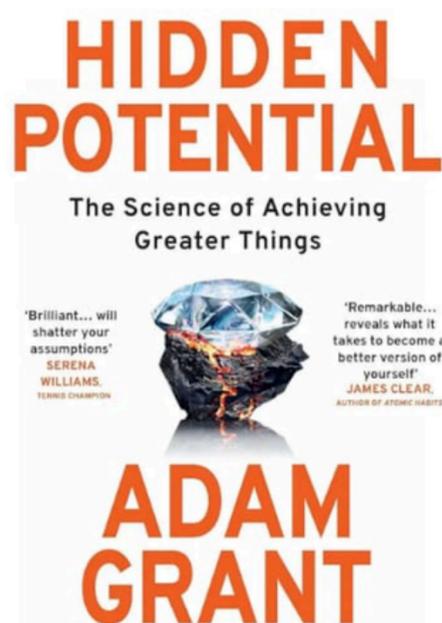

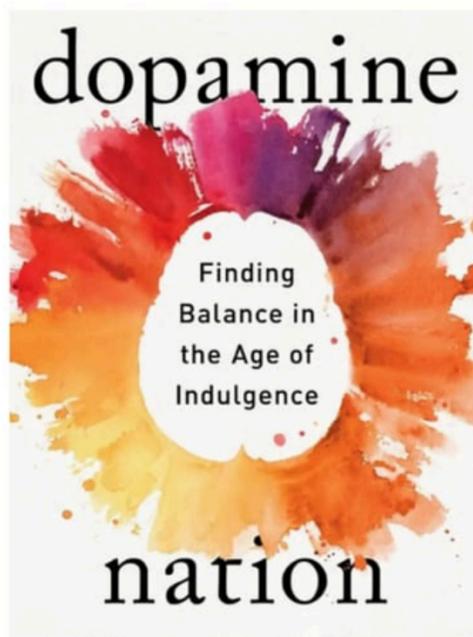

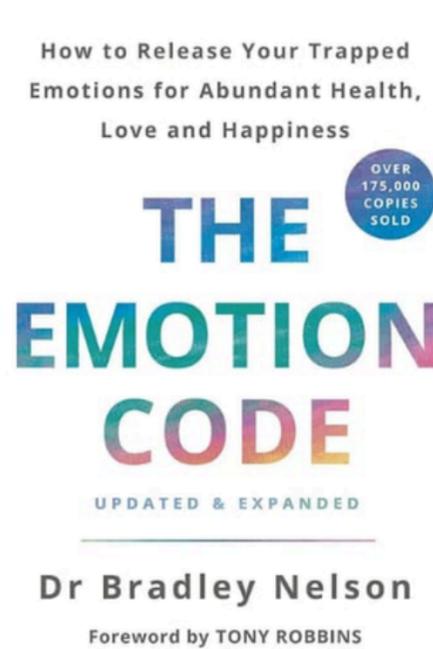

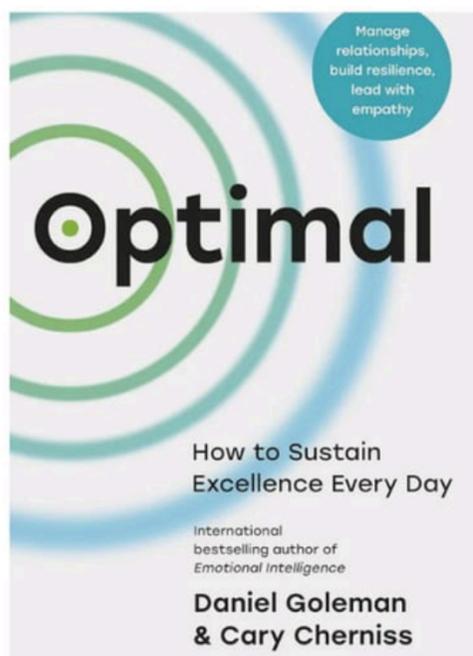

Dive into a carefully curated selection of self-help and business books. Explore a range of authors and perspectives, including NLP, Emotional Intelligence, Positive Psychology, Neuroscience, and more!

Accountability

Pair up with a buddy who will cheer you on, keep you accountable, and offer encouragement throughout your reading journey. Together, you'll stay motivated and on track.

Here's the set of 6 books to be covered from September 1, 2024 to August 31, 2025:

1. Change your Brain
2. Optimal
3. Dopamine Nation
4. Hidden Potential
5. Mindwandering
6. Emotion Code

How It Works?

Our Book Reading Club gives you access to exclusive learning resources, discussion forums, and monthly virtual events where the book of the month is discussed and presented in an easy-to-apply format. Additionally, join smaller weekly accountability groups for consistent support throughout the year.

Set Your Reading Goals

All members commit to reading one book every two months, with the reading list for the entire year announced in advance.

Stay Accountable

Work with your accountability partners to stay on course with your reading goals.

Celebrate Success

Share your achievements, favorite quotes, and insights with our supportive community.

Vikram Dhar will facilitate these events, presenting each book in an easy-to-apply format.

BONUS

Access a one-day workshop, Success Mindset Mastery & Mastermind Group, in Bangalore. This workshop will be offered at a minimal cost, covering only the actual operational venue charges.

Self-Development Growth Summit

Participate in our Self-Development Growth Summit, a 2-day event in Bangalore (cost based on actual expenses). This summit offers comprehensive Self-Development Growth mastery sessions and the opportunity to network with fellow self-development enthusiasts.
